GATEWAY

BAPTIST ACADEMY

SCHOOL HANDBOOK

Dear Parents:

I wanted to thank you for considering Gateway Baptist Academy to meet your child's academic and character development needs. We are excited about what the Lord has in store for us this upcoming school year.

I realize that the education of your student is very important to you. By God's grace, we seek to develop in each student the mind of Christ. As we teach here at Gateway Baptist Academy, the following are a few promises we seek to deliver to you:

1. Our faculty will love and pray for your students on a daily basis. It is only by His grace that we are able to teach the way Christ would want us to teach.
2. Our faculty will give your child the best effort possible when it comes to educating and ministering to them. We seek to glorify God in all that we say and do.
3. Our faculty will communicate with you on a consistent basis regarding your child's performance and behavior. As much as possible, we do not want any parent to be surprised by any kind of outcome.
4. Our faculty will seek to live a holy, separated, and godly life in order to provide for your student an example to follow in Christian living.
5. And finally, our faculty will be willing to give any help we may be able to offer to ensure your child's success spiritually, academically, physically, and socially.

We truly are thankful for the opportunity to educate your child. If you have any questions, please feel free to call me at the school office.

Sincerely,
Juan Zarate
School Administrator/High School Principal

Dear GBA Elementary Parents:

I just wanted to start off the upcoming school year with an encouraging note. As a new member of the school administration, I want parents to know that I will be committed to serving your families. It will be my pleasure to work with you and your child this year.

Please know that I have been praying for your family and your child this summer. There will be many successes. There will also be trials. I know that with prayer and constructive communication we can get through each of these.

Communication will be the key to a successful school year. Because I will have a dual role in the school (elementary Vice Principal and 5th/6th grade teacher) it is important for us to have some methods to communicate effectively. Parents can email me any time. This is probably the best way to reach me. I check email frequently. My email address is sharon.pearson@desertgatewaybaptist.org. You may call the school and leave a message with the office or you may dial my extension 371 and leave a message that I will return as soon as I can.

I am excited to have the opportunity to help your child grow both spiritually and academically. I love our students and feel very blessed to be able to work with them. It's not a position I take lightly. Please pray with me regarding how the Lord would work in these students' lives this school year. If there are questions or if there is a need that you have prior to the start of school, please let me know.

In Christ's love,
Sharon Pearson
Elementary Principal

I. History

Early in 1991, Melanie and I began praying for God's will in our lives regarding a growing burden for souls in the southwestern United States. As we prayed, we felt God's leading and direction to plant a New Testament Baptist church in the Phoenix Metro area. We resigned our pastoral position at Waterloo Baptist Temple in Waterloo, Iowa. With the church's blessing and support, we made the move to Arizona in September of 1993.

The Lord blessed our move, and for the next three months we did the necessary planning and preparation for the planting of Desert Gateway Baptist Church.

On the first Sunday of January, 1994, we held our first service in a Gilbert home. That Sunday morning we had 11 people in attendance. Since then, God has richly blessed our efforts and given us a church with godly, Christ-honoring people.

As the church grew, we sensed the need to establish a Christian school that would provide the children of our church with balanced, Christ-centered education. So in the fall of 1999, Gateway Baptist Academy opened its doors to the members of our church.

Gateway Baptist Academy is a ministry of Desert Gateway Baptist Church and holds to the same doctrinal positions as the church.

II. Purpose

The purpose of Gateway Baptist Academy is to educate and train the whole student: spiritually, intellectually, physically, and socially. Because the Lord requires a vessel unto honor, guidelines for personal habits, definite dress codes, and proper leisure time activities are provided.

The principle of self-discipline is the basis of our disciplinary structure. We believe the student must honor the rights of others and respect the individual's freedom. Not only must a young person have his appearance and actions reflect the Lord Jesus, he must also have wisdom, knowledge, and understanding to serve the Lord in the plan God has for his life.

Therefore, the Bible is not substituted for any academic subject, but it is integrated into the total educational program. The Bible is taught so that the student will develop sound values that will govern every step of his life.

Gateway Baptist Academy desires to send out into the world young people who will be lights in this night of spiritual darkness (Matthew 5:14-16; Ephesians 6:12). The chief objective of our school is to prepare students for the *possibility* of full-time Christian service. According to Matthew 9:37, "The harvest truly is plenteous, but the laborers are few;" and so our school strives to prepare students to be thrust into the harvest field (John 4:35) and accomplish much to the glory of the Lord. "To the praise and glory of His grace,..." (Ephesians 1:6)

Purpose:

Spiritual Training: We desire each student to know and obey the will of God.

Social Training: We teach respect of authority, belief in standards, self-discipline, and responsibility.

Academic Training: We offer traditional education within the context of Biblical Truth.

III. Doctrinal Statement

As a ministry of Desert Gateway Baptist Church, Gateway Baptist Academy holds to the church's statement of faith, without apology. A copy is available upon request.

Biblical Grace, Liberty, and Separation

Gateway Baptist Academy fully realizes that the dress guidelines and rules supported by it may be considered quite conservative for our area and the day in which we live. In many respects, our school is not unlike those of yesteryear. In order to understand the need for many of the guidelines listed in this handbook, one would do well to consider the Biblical applications of grace to the Christian.

In Christian circles today, the principle of grace found in the Bible is often misunderstood and, thereby, often violated. Grace, as related to salvation, refers to the unmerited gift of eternal life bestowed upon all who would receive it through the substitutionary death and shedding of blood on the Cross by Jesus Christ for sin. Grace, as spoken of in this current context, refers to a disposition created in a believer by the Holy Spirit. By the Spirit's very name, holy, is the indication of what sort of disposition God would like to promulgate in the believer. 1 Peter 1:14-17 gives an excellent synopsis of the holiness of God as it should be manifested in the believer.

“As obedient children, not fashioning yourselves according to the former lusts in your ignorance: But as he which hath called you holy, so be ye holy in all manner of conversation; Because it is written, Be ye holy; for I am holy. And if ye call on the Father, who without respect of persons judgeth according to every man's work, pass the time of your sojourning here in fear.”

We show our fear (respect) of the Lord by separating from those things which are contrary to God's holiness in all aspects of our lives. In Christ the believer is "... a new creature: old things are passed away; behold, all things are become new." (2 Corinthians 5:17) If a new creature, then the Christian should put off from himself the fleshly pursuits of the old nature. The Bible is straightforward in its discussion of this matter, if but for the sake of others alone. In Ephesians 5:21, Spirit-filled believers are admonished to be "Submitting yourselves one to another in the fear of God." By these words it is clear that our influences on others should take into account the fear of God, which leads us to a separated life.

Some Christians today may take issue with this principle regarding their so-called "liberty" in Christ. But the Bible states, "For, brethren, ye have been called unto liberty; only use not liberty for an occasion to the flesh, but by love serve one another. For all the law is fulfilled in one word, even in this; Thou shalt love thy neighbor as thyself." Again one sees that liberty in Christ is not freedom to do as one pleases, but rather to use that liberty gained through Christ's atoning work on the Cross, as a means of serving our fellow brethren. As a servant, a believer is in no position to cause another to stumble, but rather to meet another's needs.

Thus, here is the motivation for many of the guidelines and rules in this handbook. Standards of modesty and standards of separation from worldly styles and influences provide tools for individual rights of the believer were crucified with his sins on the Cross

of Christ. *“For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God’s.”* (1 Corinthians 6:20) The only solution to this command is to be holy. By God’s grace we have the opportunity to live victoriously in the world, just as Paul did, without being influenced by it (2 Corinthians 1:12).

Believers must realize that evangelism is one of the purposes for living a life of consistent personal separation from sin.

- Dr. Fred Moritz

IV. Faculty

God has assembled in our school what we believe to be the finest group of educators of any Christian day school in our nation. Many have years of experience in teaching, and new teachers are added to the ministry and trained as needed.

Our faculty members are dedicated members of Desert Gateway Baptist Church who serve in ministries beyond Gateway Baptist Academy. All of them are committed to a regular soul winning schedule every week. All faculty members believe in the sovereignty of the local church and in the doctrinal tenets which make our church Fundamental and definitely Baptist.

V. Philosophy of Education

Our school is a ministry of Desert Gateway Baptist Church and is designed to help families raise up their children for Christian service. Our approach is a complementary one. God has established the family as the principal entity to train children, with the church serving as a second platform of spiritual training and leadership development for the family. The Christian school provides a third source of godly influence. This arrangement is only truly successful if the direction being set by all three is in agreement.

For this reason, it is vital that parents agree with the doctrine and philosophy of Desert Gateway Baptist Church, which are held wholly by Gateway Baptist Academy as well. A child placed in an environment where the family follows a direction different than that of the church and the school, is a child given to much confusion and strife within his own thoughts and actions. It should be understood that our primary goal is to produce and develop Christian young people who have instilled within them Christian character and servant leadership for the work of the Lord. Students are motivated to develop the “mind of Christ” (Philippians 2:5) in their own lives, which is a key reason for the existence of Christian education, an environment that should foster the maturity of Christ-mindedness. This is accomplished through three areas of emphasis.

1. The first and strongest emphasis is the spiritual nature of the child and family. The clear teaching of the Bible is the best foundation for all other learning. The Bible is taught not only as a class, but it permeates each and every subject. We endeavor to introduce each child to Christ and to direct children and families to know the Bible as well as to live it.
2. The second emphasis is on academics. The school uses a traditional Christian curriculum and a practical approach. We will provide a superior academic

climate and promote personal academic excellence to prepare each child for Christian leadership.

3. The final emphasis is on proper physical and social development. Our physical education program is continually developing to meet the need of all grades. The school also sponsors musical and seasonal programs by the student body, teaching our students poise and appropriateness.

Philosophy:

Bible-based: The Bible is the authority over all human disciplines.

God-honoring: Men should represent God and His glory to all mankind.

Christ-centered: Christ is the source of all knowledge and wisdom.

Academics:

Academic Excellence: We offer a quality Christian education, striving to train individuals to be articulate, knowledgeable, creative, and discerning.

Loving-Caring Family: We make every effort to employ highly trained, qualified personnel with a desire to serve God through education.

Grading and Communication

A report card is issued every nine weeks to indicate to the parents and student the academic achievement for that quarter. In addition to a report card, a progress report is sent home mid-way through each grading period to notify the parents and student of the grade, attitude and effort in each class up to that point in the quarter. All of the report cards and progress reports must be signed by the parents and returned to school the next day. The chart shown below indicates the percentile equivalents of the letter grades used at Gateway Baptist Academy, as well as the four-point scale equivalents of each letter grade used in computing the overall grade point average (GPA).

<u>Grade</u>	<u>Percent</u>	<u>GPA</u>
A+	98-100	4.0
A	93-97	3.7
A-	91-92	3.5
B+	88-90	3.3
B	83-87	3.0
B-	81-82	2.5
C+	78-80	2.3
C	73-77	2.0
C-	71-72	1.5
D+	68-70	1.3
D-	66-67	1.0
F	0 - 65	0.0

NOTE: The school administration makes the final decision when it comes to grade placements, not the teachers. Concerns in this area should be directed to the administrator.

Graduation Requirements for High School Students

According to guidelines set forth, there are certain class requirements for 9th through 12th grades which high school seniors must attain in order to graduate. The minimum number of credits needed in each subject area is listed below according to subject area. In most core courses, each semester completed is equivalent to one-half credit. **A minimum total of 24 credits are required for graduation.**

Bible	4	Health	.5
English	4	U.S. History	1
Math	3	World History	1
Science	2	Physical Education	2
Foreign Language	1	Economics	.5
Government/ Geography	1	Speech	1
		Electives	3
Total Credits Needed			<u>24</u>

Gateway Baptist Academy follows a college preparatory plan, so due to the number of electives required, additional math and science classes will often count toward to the total of two elective credits. Such courses are nearly always of benefit to students planning to enroll in college upon graduation. Elective courses may be in any subject area, including Bible classes.

VI. Requirements

Kindergarten

Parents enrolling their children into the GBA kindergarten program must pick up a kindergarten readiness brochure which explains the school's kindergarten enrollment policies as well as a questionnaire. A kindergarten readiness test must be scheduled to assess whether a child is ready to enter the GBA kindergarten program. A certified birth certificate must be presented at the time of registration. **Note: Certain exceptions may apply at the discretion of the school administration.**

Health

Children not previously immunized must receive the necessary immunizations within two weeks of admission to school except when the fourth polio immunization is needed. A child cannot attend until the health information form is completed and required immunizations are obtained.

Records

The **Federal Family Educations Rights and Privacy Act of 1974** requires a school to

have a written request form from a parent or guardian before records may be released from the school (such as when a student transfers to another school or goes to college). Parents also have the right to review the records and challenge the contents thereof.

Note: Our school is not allowed, by law, to release records of a student from a school other than our own. To obtain such records, you may contact the student's previous school.

VII. Admission and Finances

Appointment

All parents of new students must set up an appointment with the school administrator before they can register their children in the school.

Acceptance/Retention

Each student will be accepted into our school based upon the previous academic, spiritual, and social records of the student provided to GBA, as well as interviews with the student and the parents. Parents must be faithful, tithing members of Desert Gateway Baptist Church. Parents are required to regularly attend the Sunday school, Sunday morning, Sunday evening, and Wednesday evening services (unless providentially hindered because of work, illness, etc.). It is vital that parents are fully committed to the doctrinal position and ministry direction of Desert Gateway Baptist Church. New students may be required to take an entrance exam at the discretion of the school administration in order to determine grade level achievement.

Students withdrawn from GBA in the middle of the school year must wait one full school year before returning to GBA. These students will be required to take an entrance exam to determine grade level achievement and will be recognized as new students.

Exclusive Clause: In some cases, the school administration may allow a student, who is not a member of the church, to enroll in our school despite his parents not being active members of Desert Gateway Baptist Church. Though this occurrence may be very minimal, the Senior Pastor, the principal, and the school board reserve the right to allow a student (who is also a church member) to enroll in our school. Only by a unanimous decision, between the Senior Pastor, the principal, and the school board can a student, whose parents are not active members of Desert Gateway Baptist Church, be allowed to enroll in our school.

Application

Every year the required application fee must be paid for each student. Upon meeting with the school administrator to review the handbook and the policies, a registration packet will be given to parents of new students. A non-refundable (in most cases) application fee is also required before acceptance or refusal is given. However, if the school is unable to accept the student, the application fee will be refunded.

The application fee is used to develop the student's school records. The fee is also used

to purchase achievement exams and entrance tests.

Application fees for the school year is \$100 per student.

Forms

Before a child can be admitted to GBA, all necessary forms need to be signed by both parents and the student each year. ***Signing these forms indicates annual agreement with philosophies, standards, and rules of Gateway Baptist Academy.***

Tuition

GBA is a ministry of Desert Gateway Baptist Church. It is not designed for profit, as noted by its restricted requirements for enrollment. The teachers are dependent upon the prompt payment of tuition from each school family. Tuition may be paid in full or on a monthly basis beginning on August 1st. The grace period for overdue tuition ends on the 10th day of the month in which the payment is due, and post-dated checks cannot be accepted. A late fee of \$20.00 is added to any late payment. Since the payment of teacher’s salaries is dependent upon the tuition each month, no account can be permitted to be more than 30 days overdue. At this point, parents will be required to meet with the GBA School Board to discuss the account and options available. Parents will be required to show proof that tuition assistance has been requested.

No student will be accepted for re-enrollment until the total bill is current. No early registration or book discount will be applied to an overdue account. A \$20.00 fee will be assessed for each returned check. Payments will be applied to student accounts in the following order: first, to outstanding late fee(s); second, to past due invoices; and third, to current invoices. The total tuition fee for a school year is \$2000 (1st–12th grade) and \$1600 (kindergarten). Tuition fees are comprised of ten monthly payments beginning August 1st, which may be broken down as follows:

The 10-period pay plan rate:

Each student.....\$200/period
 \$160/period for K-5

Down payment + pay rate:

Each student.....Total tuition minus
 Down payment
 Divided by 10

Example: Total Tuition- \$2000
 Down Payment– \$800
 Balance– \$1200
 Monthly Payment- \$120

The tuition for the school year has been divided into ten equal payments. Each payment covers one tenth of the total number of school days. This amount **does not** include books, so there will be a one time charge for each child.

GBA also provides tuition discounts for multiple students in a family:

NUMBER of STUDENTS	% of FULL TUITION RATE(A)	KINDERGARTEN RATE	1st-12th GRADE RATE
FIRST STUDENT	100%	\$1600	\$2000
SECOND STUDENT	100%	\$1600	\$2000
THIRD STUDENT	80%	\$1280	\$1600
ALL ADDITIONAL	40%	\$640	\$800

Discounts will be applied to lowest grade level students

Other Fees

With all the programs Gateway Baptist Academy offers (Fine Arts, Athletic program, graduations, etc.), other fees must be assessed to offset the cost. A fee schedule is available through the school office as well as on our school website: www.mygba.org.

VIII. Character Development

Gateway Baptist Academy holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. There is adequate Biblical basis for the idea of spiritual growth into the image of Christ (Romans 8:29), which is the work of the Holy Spirit (2 Corinthians 3:18). This growth begins with the initial act of saving faith and continues throughout life. The Holy Spirit makes the Christian conscious of the Biblical demands for a holy life which fulfills both God’s moral law and high law of love (Matthew 22:37-39; Romans 13:8-10; Galatians 5:14). The result is a life consecrated unto God and separated from the world. Gateway Baptist Academy must, therefore, provide an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. A standard of conduct based on the following Biblical imperatives is necessary to provide such an environment. All of the activities of the Christian must be subordinated to the glory of God who indwells us (1 Corinthians 8:9, 12-13, 10:31). The Christian will endeavor to avoid practices which cause the loss of sensitivity to the spiritual needs of the world and loss of the Christian’s physical, mental, or spiritual well-being (1 Corinthians 9:27).

A sense of the need for spiritual growth in the light of these principles has led Gateway Baptist Academy to adopt the following standards which are believed to be conducive to the environment that will best promote the spiritual welfare of the student— whether at

home, school, or elsewhere.

To refrain from participating in worldly activities such as swearing, indecent language, smoking, possession or use of liquor, drugs, or tobacco, gambling, dancing, pornography, premarital or extramarital sex, homosexuality, or other sexual perversions, and involvement in rock and roll music, rap music, or so-called “Christian rock” music. Maintain Christian standards in courtesy, kindness, honesty, morality, and modest attire.

The selection of the restrictions mentioned in this pledge may appear arbitrary to some; but while not condemning others who see differently, Gateway Baptist Academy believes that the restrictions named are outstanding types of conduct which are detrimental to the standards established as its objective.

Students are expected to abide by these standards throughout their enrollment whether at home, school, or elsewhere. Students found to be out of harmony with the Gateway Baptist Academy ideals of work and life or who has been arrested, will be subject to administrative withdrawal.

In this atmosphere of definite and positive Christian standards of conduct, good scholastic planning, and genuine personal interest between faculty and student, there is a fine opportunity for development of strong Christian character.

In order for a student to develop spiritual leadership ability, that student must possess Christian character. Thus, one of our chief goals at Gateway Baptist Academy is to develop Christian character within each student. This will be evidenced largely by a child’s outward behavior, whether he be at home, school, or elsewhere. An undisciplined life is a largely unproductive life. Each student will be challenged to accept responsibility for his assignments, and each student will be expected to accomplish his work promptly and efficiently. This prepares him for a life of stewardship and discernment. Students are reminded that “Whatsoever ye do, do all to the glory of God.” (1 Corinthians 10:31).

Behavioral Discipline

Philosophy

Biblical discipline provides lessons for students both for now and for the future. Lessons of discipline include: teaching the fear of the Lord (Proverbs 1:5-7); teaching students to make right decisions and to stand alone for righteousness (Proverbs 1:10-19, 29-33), teaching God's laws of cause and effect (Galatians 6:7-8; Deuteronomy 11:26-28), and teaching restitution for offenses (Matthew 5:23-24, 18:15). However, we also believe in a balanced approach to discipline—rewarding that which is right and punishing that which is wrong.

Our purpose in student discipline is to provide a foundation and to produce the character of Christ through the implementation of Biblical principles of correction. According to God's Word, obedience to rules is designed to protect a person for God's best in His life, rather than to prepare a person for a life of surrender to the world (Genesis 2:17; Romans 6:13). Standards of discipline will help a student maintain the conviction of his parent's heart.

Our philosophy in the application of a disciplinary system is to exhibit a spirit of concern and control. Our concern is motivated by a desire for each student to travel in the direction that God would have for him. Discipline at Gateway Baptist Academy is never carried out with the goal of hurting or demoralizing, but rather to protect a student from unprofitable pursuits in life. Our disciplinary system is designed to be administered with equity based not on whom the student is, but on the basis of what principle, what policy, and to what extent the student has violated the rule(s).

Our goal in discipline is to match the consequences to the offense and counsel restitution to the offended party (Matthew 18:21-35). The disciplinary system will be only as public as necessary to resolve the conflicts, with the ultimate goal of causing others to fear the Lord and to walk in obedience to Him. The procedures of discipline are found in the Rules section.

Rules

These rules apply to all students. Repeat offenses will result in a greater degree of punishment at the discretion of the teacher and school administration. The policies/practices for High School, Jr. High, and elementary are addressed at the end of this section. There are two categories of offenses, each having a different type of progressive discipline: Academic (A) and Behavioral (B)

Offenses

1. Chewing gum (B)
2. Crude and obnoxious behavior (B)
3. Daydreaming/ inattentiveness (B)
4. Dancing (B)
5. Demonstrating a lack of self-control (B)
6. Direct disobedience (B)
7. Disrespectful address when addressing authority (B)

8. Disturbance/sleeping in chapel (B)
9. Dress code violation (B)

The purpose of the guidelines set down by the administration for the appearance of each student is not to legislate morality (which must come from the heart), but rather to encourage Christian young people to be concerned with the Biblical principle of modesty neglected by many Christians today. Proper dress also encourages and complements a serious approach to academic subjects by each student. Three basic questions should be asked concerning dress?

Is it modest?

Does it call undue attention to itself?

Does it identify with a rebellious element of society that is contrary to God?

These dress standards will apply at school and at all school activities.

- a. T-shirts, T-shirt type shirts and blouses (with a ribbed neck), or sweatshirts are not to be worn except during Physical Education.
- b. Shirts or blouses with words or pictures printed on them are not to be worn.
- c. A logo on apparel must not exceed 2 inches in diameter.
- d. All shirts and blouses must have sleeves.
- e. Mod (modern), hippie, unisex, punk rock, or gang-related clothing is not permitted. ("Mod" refers to current fashion trends which reflect a worldly attitude as determined by the school administration.)
- f. All shirts, blouses, and tops are to be tucked into their pants or skirts whichever is applicable.
- g. Jeans are not to be worn (unless otherwise specified)
- h. Spandex blend clothing is not permitted.

Any article of clothing in question should be brought to the school administrator prior to being worn. In general, if clothing must be questioned, it should probably not be worn. It would be well to remember the saying, "When in doubt, leave it out."

Please Note: While these standards are conservative, many public schools are now requiring uniforms because of dress problems. Therefore, we encourage our students to look sharp and to maintain a proper attitude. Field trips will require some specific attire which will be communicated as these events arise.

1. Ladies

- a. Hair must be clean and styled neatly. No faddish, unisex, or punk rock hairstyles (including non-uniform coloring or

bleaching) are permitted. Bangs must be at least one finger width above the eyebrows. The face should be fully visible at all times. No hair extensions are allowed.

- b. Make-up may be worn with discretion by high school girls only. It should be light and natural looking.
- c. Only fingernail polish which is clear or is moderate (not dark) in color, resembling that of natural nail color, may be worn.
- d. Clothing must not be snug, form-fitting, or of a clingy material which would draw attention to the shape of the individual.
- e. If not wearing a dress, the student's top (shirt, blouse, etc.) must be tucked in at all times. If the top does not tuck in, then a slip of some form must be worn underneath the top to cover the student's midsection. No part of the torso should be exposed at any time.
- f. Skirts and dresses (for classroom wear), shorts, and culottes (for physical education) must touch the floor with the student in the upright kneeling position. The kneecaps should be covered by the skirt or dress when the student is seated as well. Elementary students may wear shorts under dresses or skirts for additional modesty. Skirts and dresses with slits may only be worn if the slit is sewed or pinned from the bend of knee upward.
- g. When wearing skirts, a half slip must be worn at all times unless the skirt is made up of thick material (jean skirts, etc.).
- h. Clothing must be modest and non-see-through. This includes low or plunging necklines and low-cut backs. Generally, a neckline should be two finger widths from the collarbone edge or higher. Tops may have only the top button unbuttoned.

Disciplinary Procedures

Seeing that there are two categories of offenses, the consequences of these offenses will be as follows:

1. The behavioral offenses will follow the regular disciplinary process.
2. The academic offenses will affect the student's grade accordingly.

Junior High/High School Progressive Discipline Process

Jr. High/Sr. High teachers will document all violations of school policy as they are listed in the GBA Handbook for each student.

Discipline may require an in-school suspension, a parent/teacher conference, suspension from extra-curricular activities, or another action as deemed necessary. The appropriate action is taken based upon a five-point system. Documentation in the form of a Conduct Referral Form (CRF) will be sent to parents, after the first offense, for each recurring offense, which will need to be signed by the parent and returned to the school the following day. These will be kept in the student's file for future reference.

1. Oral Reproof

To give a simple, clear statement of what rules the student offended and a clear warning of consequences if the behavior continues.

2. Parent Notification

A CRF and/or a phone call are methods used to make parents aware of repeat violations of school practices and rules. The first CRF is issued at the second offense of the same rule/policy.

3. Loss of Privileges

A CRF is issued to notify parents of a 3rd violation of the same rule/policy. In addition, at the teacher's/administration's discretion, student activities will be restricted.

4. Classroom Dismissal

A CRF is issued to notify parents of a 4th violation of the same rule/policy. In addition,

the student is sent to the principal's office.

5. School Dismissal/Parent Conference

A CRF is issued to notify parents of a 5th violation of the same rule/policy. In addition, at the administration's discretion, one of the following may occur:

- Parent may be called and asked to take student home for remainder of the day, resulting in student inability to complete any remaining lessons, tests/quizzes, etc.
- Parent may be called and asked to attend a meeting regarding their child.
- Parent may be required to attend school with their child for a specified period of time to observe their child's behavior.
- Student may be given an in-school suspension, allowing them to work on teacher/administration-chosen work for a period of time; resulting in student inability to receive lessons, tests/quizzes, etc. for that time period.
- The student will be suspended from participating in any extra-curricular activities (i.e. sports teams, Fine Arts, intramurals, etc.)
- Student may be expelled from school for a period of time as designated by the administration.

Elementary Progressive Discipline Process

Elementary teachers will document all violations of school policy as they are listed in the GBA Handbook for each student.

The first violation of a rule will result in a verbal warning to the student.

The second violation of the same rule will result in a classroom behavior management form of discipline. (For K-2 this is usually a chart or incentive game that requires a student to move a game piece when they violate a rule.)

If a 3rd violation of the same rule occurs within 10 consecutive school days, the result will be a CRF and discipline as determined by the teacher and/or administration.

Further violations of the same policy will result in a CRF and progressive discipline as determined by the teacher and/or administration. This can include, but is not limited to loss of classroom privileges, loss of recess and/or P.E. privileges, or loss of communication privileges.

Activities/Events

Chapel

Chapel is held twice a week for students in the fifth through twelfth grade, at which time special speakers and music are presented. Chapel is held once a week for kindergarten through fourth grade. Our pastor and staff are fully involved in the chapel program.

Social

In kindergarten through sixth grade, there may be classroom observance of special occasions, such as birthdays and holidays. In the seventh through twelfth grades, there may be parties from time to time that have been approved by the administration. Occasional field trips may be scheduled throughout the year. Parents will be notified in advance of such a trip.

Programs

Students are expected to participate in school programs, and they are expected to learn their parts and to be prompt. A student can derive much benefit from such opportunities, not the least of which is learning to be reliable. All of our students are required to attend each school program, whether or not they have a special part in it. Costumes may be required if a student participates in a drama role. The teacher will work with the parents concerning provision for the costumes.

Graduation

There will be a formal graduation for students successfully completing Kindergarten, 8th and 12th grade at the end of each school year. This is a dignified occasion in which the clothing worn by the graduates from each class must be appropriate according to the dress guidelines.

Sports

It is a privilege for any student to participate in extra-curricular athletic programs of the school. The privilege of participation may be restricted due to grades, behavior, attitude, or any serious infraction of school rules. Our goals are to have athletes who possess character both on and off the field and to ensure that our school is represented by mature Christian students.

Each participant must maintain core and overall grade point averages (GPA's) of 2.0 or higher to participate, as well as, not having an 'F' in any class. If a GPA drops below 2.0 at either progress report or report card time, or an 'F' has been received, the student will be ineligible to compete. The athlete must sit out until the next report comes wherein his grades have been remedied. All athletes must adhere to the GBA athletic guidelines and submit a weekly service report. Each athlete must complete a sports physical exam before participating in practice sessions.

Music

It is a privilege for a student to be able to have a part in the music ministry of Desert Gateway Baptist Church. But with privileges come responsibilities. A student must abide by the standards of the church's music ministry. The following procedure must be followed:

1. The student must inform the school administrator of his desire to play for the church. The musical piece must be approved by the administration of the school.
2. Upon approval of the school administration, the piece must now be approved by the music director of Desert Gateway Baptist Church. The music director, not the student, will determine when the student will perform the piece for the church.
3. On the day of the student's performance, it is imperative that he follow the dress code for all musicians for the church. The standards will be discussed with the student. A copy of the Desert Gateway Baptist Church Choir and Instrumentalists Standards are available upon request.

Please note: The administration of the school reserves the right to deny the privilege of musical performance at any time during the approval/preparation process.

Fine Arts

Students in grades 7 through 12 are encouraged to participate in the annual Fine Arts competition during the second semester. The areas of competition are as follows: Bible, academics, music, art, and speech. In order to participate, competitors must have achieved at least an overall 2.0 GPA for the first semester class grades. Third quarter grades at the time of competition must also show at least an overall 2.0 GPA. Students are encouraged to begin preparing during the fall for the competition. Tryouts may be required in order to meet participant limit guidelines in specified categories within each area. Chapel attire is required for all participants at the time of competition.

Physical Education

Students from 5th through 10th grade are required to take Physical Education (P.E.) classes. Eleventh and twelfth graders may take P.E. classes, but it is not required.

Every student participating in P.E. classes must have the following:

- a. P.E. uniform (\$10/shirt;\$15/shorts)
- b. Compression shorts– worn underneath the regular shorts; helps support student's midsection.
- c. Sports physical exam– turned in by the first day of P.E. The student must have a physical every year the student participates in P.E. The class will be held every Monday, Tuesday, and Thursday unless otherwise directed. Because P.E. does not affect GPA, elementary teachers may opt to keep students in class during P.E. hour, due to schedules or student issues. The P.E. teacher is notified and marks attendance accordingly. Though the grade for this class does not affect the student's overall average, it is still a class that will appear on the student's transcript.

IX. Campus Regulations

Students will not be allowed on campus any earlier than 30 minutes before school (7:45 a.m.), unless accompanied by a staff member. School hours are as follows:

Monday-Friday: 8:15 a.m.—3:00 p.m.

Half-days: 8:15—12:15 p.m.

Absences

Regular attendance is essential to successful class work. All absences are either excused or unexcused.

A student with more than 10 absences (excused or unexcused) in any 2 consecutive grading periods will be subject to an academic review and to the possibility of losing credit for all classes in that timeframe.

Excused Absences:

Illness – if a student will not be at school due to illness, the parent/guardian must notify the school by phone or email by 8:15 am the day of the initial absence and every subsequent day of absence. A note by the parent/guardian is required when the student returns to school for recordkeeping purposes, explaining the reason for the absence.

Death in the family – if a student needs to miss school due to a death in the family (immediate family and grandparents), the parent/guardian is required to notify the school as soon as is reasonably possible. A note by the parent/guardian is required when the student returns to school for recordkeeping purposes, explaining the reason for the absence.

Medical/Dental appointment – if a student needs to leave school early for an appointment, the parent/guardian is required to provide a note to the office the morning of the appointment, indicating the time they need the student dismissed from school and the reason for dismissal. If a student will be late for school due to an appointment, the parent/guardian is required to provide a note to the office the prior day, indicating the reason for the appointment, and an approximate time of expected arrival.

Family Day – One day **each semester** may be used for a family to have time together, as the ministry is committed to the spiritual longevity of the entire family. **A note for approval must be submitted to the school administration a full 24 hours in advance of the requested date.** Approval will be contingent on events/academics that need to take precedence (exams, SATs, programs, etc.) ***It is advised that the GBA school calendar be checked prior to scheduling a Family Day.*** Family Days do not affect the attendance record.

IMPORTANT NOTE: Failure to provide required notification for any of the above absences could result in the absence being counted as an unexcused absence, as determined by the teacher/administration.

School work for excused absences: **Work missed during an excused absence may be made up within the same number of days the student was absent.** The teacher

will re-teach lessons missed upon the return of the student, as necessary. Parents may call the school office to request the teacher provide the homework in advance or daily for the student to work on at home.

Unexcused Absences:

Unexcused absences include days taken for travel or vacation that extend beyond a Family Day. In addition, absences without appropriate notification could also be counted as unexcused absences.

School work for unexcused absences: **The teacher/administration determines whether a student may make up work missed for an unexcused absence.** Lessons are not required to be re-taught. If it is determined that a student may make up the work, the teacher can provide the work, but there are no extra days given to make up the work. All tests/quizzes missed will be taken the day the student returns to class, unless otherwise noted by the teacher.

Tardies

A student is considered tardy when he/she is not prepared for the day, as defined by the teacher, by 8:15 a.m. A tardy can be excused or unexcused. The administration will make the determination.

A student must bring a written excuse from his parent or guardian to the school office to be admitted to school if tardy. If a student has accumulated nine tardies for any reason (excused or unexcused) during the quarter, he will receive a one-day suspension which will appear on his permanent record.

General

The safekeeping of books is the responsibility of the student to whom the book is given. Damage or losses will need to be replaced.

A student may communicate with a teacher concerning school work only during school hours or after school until 3:30 p.m. and only on church/school property.

Parents will fill out a form regarding which people are responsible for their child's pickup from school. If a student is to be picked up by someone other than those who are listed on this legal document, a note of explanation or a phone authorization must be turned into the office in advance. Verification must be obtained to guarantee the individual's identity. **Teachers have no authority to release a child to anyone other than the parent/guardian.** They must refer all questions relating to this matter to the school office.

Parents are to dress according to the school dress code when they are participating in a school activity in order for the students to not perceive a double-standard in existence.

Smoking is not allowed at any time on church or school property by anyone.

Gateway Baptist Academy is a CLOSED CAMPUS. Students are expected to remain on school grounds all day. During the lunch hour, students should not invite friends to come and visit them. No outsiders should be on the premises during the school day unless they have business there which is approved by the administration through the school office.

During school hours, only students, faculty, and church staff members are allowed to be in the classrooms. Exceptions can only be made by the school administrator. If you are to pick up your child, please wait at the office and we will bring your child to you.

Any student who walks or rides a bike home from school must have a written permission signed by a parent or guardian.

Hats are allowed outside only for P.E. Hats must be appropriate.

Magazines, newspapers, comic books, radios, tape players, walkmans, tapes, and electronic games are not allowed on school/church property. (Note: exceptions are magazines/newspapers explicitly to be used for school related assignments.)

Gum is not allowed during school and on church/school property.

Students are not allowed to keep medication on their persons or in their lockers. If medication needs to be given during school hours, it will be done through the school office. Please send a note which indicates the frequency and dosage needed. **All prescription medications must be in a pharmacy container, with the directions for administering.**

Students are not to use the church phones or personal cell phones during school hours. If a student is ill, or needs to contact his parent, the office will make the necessary call. The school administrator will make the final decision whether a student must be taken home due to illness or other related circumstances. **Cell phones used without permission during school will be confiscated.**

Students driving to school must have a Driving Permission Card on file in the office. No student will be allowed to transport other students to and from school property unless approved by both the parents and administration. The school administration reserves the right to revoke any driving privileges given to students.

Students are not permitted to buy and sell personal items on GBA property (i.e. baseball cards, crafts, etc.).

The school enforces a **NO DATING POLICY**. Gateway Baptist Academy and Desert Gateway Baptist Church will not accommodate, encourage, and foster a relationship between a male and female student beyond friendship. Please do not expect special treatment for students who feel an attraction one for another.
